

# “Life from Light” Lyrics & Information

## 01. O Euchari in Leta Via

*Original A Capella: Hildegard von Bingen  
Arrangement: Toni Castells*

O Euchari, in leta via  
ambulasti ubi cum Filio Dei mansisti,  
illum tangendo  
et miracula eius que fecit videndo.

Tu eum perfecte amasti  
cum sodales tui exterriti erant,  
pro eo quod homines erant,  
nec possibilitatem habebant  
bona perfecte intueri.

## 02. Fake Boobs

*Music & Lyrics: Toni Castells*

Fake boobs, empty words,  
empty smiles, fake orgasms.  
What would you do  
for Grey Goose on a sparkler?  
Look inside, find your sparkle,  
drink the vodka, find your light.

## 03. Nascent State

*Music: Toni Castells*

*Lyrics: derived from Francesco Alberoni's theory Statu Nascenti  
described in his book "Falling in Love and Loving"*

The nascent state  
is pure creative energy,  
we become highly fluid  
and capable of merging  
with another being to create a new "us",  
a unit highly charged  
with solidarity and eroticism.

## 04. Oratori (Sexual Intercourse)

*Music: Toni Castells*

*Lyrics: derived from Wikipedia*

Human reproduction  
takes place as internal fertilization  
by sexual intercourse.  
During this process, the erect penis of the male  
is inserted into the female's vagina  
until the male ejaculates semen,  
which contains sperm,  
into the female's vagina.  
This is human sexual intercourse.

## 05. Co-Creation

*Music: Toni Castells*

*Lyrics: Anastasia & Vladimir Megré*

Of all the beings in the Universe,  
only Man is given an experience like this,  
only Man striving for creation  
and co-creation  
under the great impulsion of love.

Humanity is not bad,  
but the devices of the dark forces  
obscure spirituality preventing him  
from experiencing God-given grace.

## 07. Dachnik Day

*Music: Toni Castells*

*Lyrics: Anastasia & Vladimir Megré*

The Earth needs our help,  
it tries to absorb into its depths  
all humanities anger.

And yet it still loves its people  
as a mother loves her child,  
when we burn down its forests  
and we cut down its trees.

Tenderness gives it strength,  
although it is so large,  
it is most sensitive.

And it feels the tender caress  
of even a single human hand.  
And will always love its people,  
like a mother loves her child.

## 08. Pure Potential

*Music: Toni Castells*

*Lyrics: Toni Castells & Michela Magas*

Pure potential, pure potential,  
pure potential we are pure potential.

I fell you, I feel you.  
A moment lived in love and light,  
in starlight my belief survives.

I feel you, I feel you.  
Leave the tide, give up the fight,  
surrender to the darkest night.

Pure potential, pure potential,  
pure potential we are pure potential.

## 09. I've Got No Interest (in Living a Conventional Life)

Music & Lyrics: Toni Castells

Sometimes feels  
like everything is dark,  
and love a thing from the past.  
All I want is an extraordinary life,  
full of love and full of light.

## 10. Sunshine Policy

Music: Toni Castells  
Lyrics: Various

"What here shall miss,  
our toil shall strive to mend."  
(William Shakespeare)

"North Korea will continue  
with merciless military retaliatory strikes  
if our neighbour violates our borders."  
(North Korea's Pyongyang's Supreme Military Command)

"This provocation underscores  
the need for action.  
See rules must be binding,  
violations must be punished,  
words must mean something."  
(Barack Obama)

I saw myself in my enemy's eyes  
And when I started to fall  
He picked me up in his arms,  
And he taught me to love.

Dare to dream,  
Dare to scream.  
This is not rehearsal,  
And help isn't coming.

Make the most of today,  
There may be no tomorrow.  
Just say I'm sorry,  
And feel the warm embrace.  
(Toni Castells)

## 11. Never Be Afraid to Say (I Love You)

Music & Lyrics: Toni Castells

Never be afraid to say "I Love You".  
They will maybe run a mile,  
never again return your calls,  
but if you mean every word  
they will say "Me Too"

But the first time  
I said to someone "I Love You",

they ran a mile,  
never again returned my calls,  
and I did mean every word,  
please take advice from someone else.

Never be afraid to say "I Love You"  
They will maybe laugh out loud  
or be sick on top of you,  
but if you mean every word  
they will say "Me Too".

## 13. Annabel Lee

Music: Toni Castells  
Lyrics: Edgar Allan Poe

I was a child and she was a child  
In this kingdom by the sea.  
But we loved as those older than we,  
I and my Annabel Lee.

But one day a wind blew out,  
a wind blew out of a cloud,  
Taking away my beautiful  
Annabel Lee.

I was a child and she was a child

Our love was so strong  
it was coveted by the gods of the sea.  
That's the reason  
she was taken away from me.

And one day a wind blew out,  
a wind blew out of a cloud,  
Taking away my beautiful  
Annabel Lee.

No one can take my soul away  
my soul away from she,  
Nor the angels in heaven above,  
Nor the demons under the sea.

## 14. Inman

Music: Toni Castells  
Lyrics: William Shakespeare

Shall I compare thee to a summer's day?  
Thou art more lovely and more temperate:  
But thy eternal summer shall not fade,  
Nor lose possession of that fair thou ow'st.

Nor shall death brag thou wander'st in his shade,  
When in eternal lines to time thou grow'st,  
So long as men can breathe, or eyes can see,  
So long lives this, and this gives life to thee.
